Landlord Approval for Household Change

The Family listed below has requested a change in their housing assistance status. Specifically, they are requesting a household change. The family has been notified that prior to Housing Works approving a change they must have written permission from their Landlord that the change is approved and within the Landlord's policies and practices. Please use this form to document that you approve or do not approve the family's request.

Please be advised that our agency's screening practices for new family members, does not include rental history. Such screening is the Landlord's prerogative and must fall under Oregon Landlord Tenant Law and Landlord policies. If the Landlord does not approve the change, our agency will not approve the change so long as the family continues the current rental contract.
