

Affordable Home in Sisters

New construction in 2017

You may qualify to purchase this beautiful barely lived in home in Sisters! The homebuyer will purchase the home through bank financing and lease the land from Housing Impact, LLC. Removing the cost of the land makes this home available for purchase at a below market price. Buyer must be a first time home buyer (have not owned a home in the past 3 years), have household income below 80% of the area median income and be a full-time occupant of the home.

Income restriction by household size:

1 person \$42,850
2 person \$49,000
3 person \$55,100
4 person \$61,200
5 person \$66,100
6 person \$71,000
