

List of Rental Units with Low Income and Other Eligibility Requirements in Deschutes County

Below is a list of rental units designated for low-income households that meet specific eligibility requirements. The properties listed offer "below market value" units, which may also be called "affordable" units. Each property will have its eligibility requirements, restrictions, and waiting lists. Many of the waiting lists will be closed. The total number of units in a complex may be greater than the number designated for households with low income or other eligibility qualifications. Contact each property directly via the Manager's Phone list for information about income eligibility, restrictions, and wait lists.
