INVITATION TO BID

HVAC - PTHP

INSTRUCTIONS TO BIDDERS

Overview

Housing Works has been awarded funding from Oregon Housing & Community Services' (OHCS) Multifamily Energy Program (OR-MEP). OR-MEP is a community-focused program that incorporates energy-efficient design in affordable multifamily rental housing. OR-MEP funding helps reduce energy burden for low-income Oregonians through energy efficiency improvements in affordable multifamily rental properties. The purpose of this Invitation to Bid is to obtain separate bids from qualified contractors to complete work described below in the scope of work at a rental property in Bend.

Sealed Bid

Following Housing Works' procurement policy dated October 2021, contracts for construction exceeding \$100,000 are required under sealed bids. Housing Works will publicly solicit bids and will award a firm fixed price contract to the responsible bidder whose bid, conforming with all the material terms and conditions of this invitation, is the lowest in price. All procurement policies will be followed.

Bid Opening

Bids shall be opened publicly on September 8th, 2026 at 3:00 at Housing Works, 405 SW 6th Street, Redmond, OR 97756.

Oregon Prevailing Wage Law (BOLI)

Prevailing wage rate requirements apply to this project. BOLI has modeled its definition of "residential construction" after the US Department of Labor's definition of such projects. Generally, residential construction projects are projects for the construction, reconstruction, major renovation or painting of a single-family house or apartment building of no more than four stories in height. BOLI does not survey or publish residential rates, so residential construction projects generally use the federal residential Davis-Bacon wage rates. These rates can be found on the U.S. Department of Labor's website, www.sam.gov and have been attached to this Invitation to Bid. If the federal residential rate for a particular trade or classification is ever less than Oregon's minimum wage rate required, no less than Oregon's minimum wage must be paid. Where there is no applicable federal residential rate for a particular trade or classification being used on the project, the contractor must pay the appropriate state prevailing wage rate found in BOLI's PWR webpage: www.oregon.gov/boli/employers/Pages/prevailing-wage-rates.aspx.

Contractor must submit weekly certified payroll reports to the public agency once a month, by the fifth business day of the following month. Certified payroll reports received by the public agency are public records subject to the provisions of ORS 192.311 to 192.478. ORS 279C.845(6).

Required Bonds

A Bid Bond will be required within 3 days after notification of contract award. Contractor must file a \$30,000 public works bond with the Construction Contractors Board (CCB) before beginning work on a public works project. Also, a 100% performance and payment bond will be required. Bidder shall deliver required bonds to Housing Works at or before the execution of the Contract.

Contractor Responsibility

A responsible bidder must;

- a. Have adequate financial resources to perform the contract;
- b. Be able to comply with the required or proposed delivery or performance schedule, taking into consideration all the bidders existing commitments;
- c. Have a satisfactory performance record;
- d. Have the necessary organization, experience, accounting and operational controls, and technical skills; and
- e. Have the necessary employees, equipment, and licenses, or the ability to obtain them.

Contract Award

Housing Works will evaluate bids in response to this solicitation and will award a contract to the responsible bidder whose bid, conforming to the solicitation, will be most advantageous to Housing Works considering price, experience, past performance, and any other related factors specified in this solicitation. All things comparable, preference will be given to minority-owned, women-owned, service-disabled veteran-owned businesses, and emerging small businesses.

Rejection of Bids

Housing Works reserves the right to reject any or all responses to this Invitation to Bid.

Clarification of Responses

Housing Works or its agent reserves the right to obtain clarification of any point in a firm's bid or to obtain additional information necessary to properly evaluate a particular bid. Failure of a bidder to respond to such a request for additional information or clarification could result in rejection of that firm's bid.

Services Contract

This contract for services is entered into this _____ day of _____, 2026, by and between Housing Works, aka Central Oregon Regional Housing Authority ("CORHA"), hereinafter called Owner, and _____ hereinafter called Contractor.

Whereas OWNER has need for the services of an individual or firm with the particular training, skills, ability, knowledge, and experience possessed by the Contractor, now therefore, Contractor agrees to provide these services beginning by _____, 2026 through _____, 2026. The Contractor agrees to provide the following services: perform or arrange for and direct, the services as outlined in the Exhibit A (Scope of Work), hereby incorporated as part of this contract, and in performing these services it is understood and agreed that these services are subject to the following:

Location of project: _____

Contract Amount: \$ _____

GENERAL CONDITIONS

1. Contractor's Responsibility for Work

- a) The Contractor shall furnish all necessary labor, materials, tools, equipment, and transportation necessary for performance of the work. The Contractor shall also furnish all necessary water, heat, light, and power not made available to the Contractor by OWNER pursuant to the clause entitled Availability and Use of Utility Services herein.
- b) At all times during performance of this contract and until the work is completed and accepted, the Contractor shall directly superintend the work or assign and have on the work site a competent superintendent who is satisfactory to the Contracting Officer and has authority to act for the Contractor.
- c) The Contractor shall be responsible for all damages to persons or property that occur as a result of the Contractor's fault or negligence, and shall take proper safety and health precautions to protect the work, the workers, the public, and the property of others. The Contractor shall hold and save OWNER, its officers and agents, free and harmless from liability of any nature occasioned by the Contractor's performance. The Contractor shall also be responsible for all materials delivered and work performed until completion and acceptance of the entire work, except for any completed unit of work which may have been accepted under the contract.
- d) The Contractor shall confine all operations (including storage of materials) on OWNER premises to areas authorized or approved by the Contracting Officer.
- e) The Contractor shall at all times keep the work area, including storage areas, free from accumulations of waste materials. After completing the work and before final inspection, the Contractor shall (1) remove from the premises all scaffolding, equipment, tools, and materials (including rejected materials) that are not the property of OWNER and all rubbish caused by its work; (2) leave the work area in a clean, neat, and orderly condition satisfactory to the Contracting Officer; (3) perform all specified tests; and, (4) deliver the installation in complete and operating condition.

- f) The Contractor's responsibility will terminate when all work has been completed, the final inspection made, and the work accepted by the Contracting Officer. The Contractor will then be released from further obligation except as required by the warranties specified elsewhere in the contract.

2. Availability and Use of Utility Services

- a) OWNER shall make all reasonably required amounts of utilities available to the Contractor from existing outlets and supplies, as specified in the contract. Unless otherwise provided in the contract, the amount of each utility service consumed shall be charged to or paid for by the Contractor at prevailing rates charged to or, where the utility is produced by OWNER, at reasonable rates determined by the Contracting Officer. The Contractor shall carefully conserve any utilities furnished without charge.
- b) The Contractor, at its expense and in a manner satisfactory to the Contracting Officer, shall install and maintain all necessary temporary connections and distribution lines, and all meters required to measure the amount of each utility used for the purpose of determining charges. Before final acceptance of the work by OWNER, the Contractor shall remove all the temporary connections, distribution lines, meters, and associated paraphernalia.

3. Material and Workmanship

- a) All equipment, material, and articles furnished under this contract shall be new and of the most suitable grade for the purpose intended, unless otherwise specifically provided in this contract. References in the contract to equipment, material, articles, or patented processes by trade name, make, or catalog number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition. The Contractor may, at its option, use any equipment, material, article, or process that, in the judgment of, and as approved by the Contracting Officer, is equal to that named in the specifications, unless otherwise specifically provided in this contract.
- b) Approval of equipment and materials. (1) The Contractor shall obtain the Contracting Officer's approval of the machinery and mechanical and other equipment to be incorporated into the work. When requesting approval, the Contractor shall furnish to the Contracting Officer the name of the manufacturer, the model number, and other information concerning the performance, capacity, nature, and rating of the machinery and mechanical and other equipment. When required by this contract or by the Contracting Officer, the Contractor shall also obtain the Contracting Officer's approval of the material or articles which the Contractor contemplates incorporating into the work. When requesting approval, the Contractor shall provide full information concerning the material or articles. Machinery, equipment, material, and articles that do not have the required approval shall be installed or used at the risk of subsequent rejection.
- c) Requirements concerning lead-based paint. The Contractor shall comply with the requirements concerning lead-based paint contained in the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846) as implemented by 24 CFR Part 35.

4. Permits and Codes

- a) The Contractor shall give all notices and comply with all applicable laws, ordinances, codes, rules and regulations. Notwithstanding the requirement of the Contractor to comply with the drawings and specifications in the contract, all work installed shall comply with all applicable codes and regulations as amended by any waivers. Before installing the work, the Contractor

shall examine the drawings and the specifications for compliance with applicable codes and regulations bearing on the work and shall immediately report any discrepancy it may discover to the Contracting Officer. Where the requirements of the drawings and specifications fail to comply with the applicable code or regulation, the Contracting Officer shall modify the contract by change order pursuant to the clause entitled Changes herein to conform to the code or regulation.

- b) The Contractor shall secure and pay for all permits, fees, and licenses necessary for the proper execution and completion of the work. Where OWNER can arrange for the issuance of all or part of these permits, fees and licenses, without cost to the Contractor, the contract amount shall be reduced accordingly.

5. Warranty of Title

- a) The Contractor warrants good title to all materials, supplies, and equipment incorporated in the work and agrees to deliver the premises together with all improvements thereon free from any claims, liens or charges, and agrees further that neither it nor any other person, firm or corporation shall have any right to a lien upon the premises or anything appurtenant thereto.

6. Warranty of Construction

- a) In addition to any other warranties in this contract, the Contractor warrants, except as provided in paragraph (j) of this clause, that work performed under this contract conforms to the contract requirements and is free of any defect in equipment, material, or workmanship performed by the Contractor or any subcontractor or supplier at any tier. This warranty shall continue for a period of ONE YEAR from the date of final acceptance of the work. If OWNER takes possession of any part of the work before final acceptance, this warranty shall continue for a period of (one year unless otherwise indicated) from the date that OWNER takes possession.
- b) The Contractor shall remedy, at the Contractor's expense, any failure to conform, or any defect. In addition, the Contractor shall remedy, at the Contractor's expense, any damage to OWNER-owned or controlled real or personal property when the damage is the result of:
 - (1) The Contractor's failure to conform to contract requirements; or
 - (2) Any defects of equipment, material, workmanship or design furnished by the Contractor.
- c) The Contractor shall restore any work damaged in fulfilling the terms and conditions of this clause. The Contractor's warranty with respect to work repaired or replaced will run for one year from the date of repair or replacement.
- d) The Contracting Officer shall notify the Contractor, in writing, within a reasonable time after the discovery of any failure, defect or damage.
- e) If the Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, OWNER shall have the right to replace, repair or otherwise remedy the failure, defect, or damage at the Contractor's expense.
- f) With respect to all warranties, express or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished under this contract, the Contractor shall:
 - (1) Obtain all warranties that would be given in normal commercial practice;
 - (2) Require all warranties to be executed in writing, for the benefit of OWNER; and,
 - (3) Enforce all warranties for the benefit of OWNER.

- g) In the event the Contractor's warranty under paragraph (a) of this clause has expired, OWNER may bring suit at its own expense to enforce a subcontractor's manufacturer's or supplier's warranty.
- h) Unless a defect is caused by the negligence of the Contractor or subcontractor or supplier at any tier, the Contractor shall not be liable for the repair of any defect of material or design furnished by OWNER nor for the repair of any damage that results from any defect in OWNER furnished material or design.
- i) Notwithstanding any provisions herein to the contrary, the establishment of the time periods in paragraphs (a) and (c) above relate only to the specific obligation of the Contractor to correct the work, and have no relationship to the time within which its obligation to comply with the contract may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Contractor's liability with respect to its obligation other than specifically to correct the work.
- j) This warranty shall not limit OWNER's rights under the Inspection and Acceptance of Construction clause of this contract with respect to latent defects, gross mistakes or fraud.

7. Liquidated Damages

If the Contractor fails to complete the work within the time specified in the contract, or any extension, as specified in the clause entitled Default of this contract, the Contractor shall pay to OWNER as liquidated damages, the sum of \$50 for each day of delay, if different completion dates are specified in the contract for separate parts or stages of the work, the amount of liquidated damages shall be assessed on those parts or stages which are delayed. The extent that the Contractor's delay or nonperformance is excused under another clause in this contract, liquidated damages shall not be due OWNER. The Contractor remains liable for damages caused other than by delay.

8. Time is of the Essence

Time is of the essence in the performance of this Contract.

9. Independent Contractor Status

Contractor is an independent contractor, and neither Contractor, Contractor's subcontractors nor employees are employees of OWNER. Contractor is responsible for all federal, state and local taxes and fees applicable to payments for services under this Contract. Although OWNER reserves the right to determine (and modify) the delivery schedule for the Work to be performed and to evaluate the quality of the completed performance, OWNER cannot and will not control the means or manner of Contractor's performance. Contractor is responsible for determining the appropriate means and manner of performing the Work.

10. Access to Records

Contractor shall maintain fiscal records and all other records pertinent to this contract. All fiscal records shall be maintained pursuant to generally accepted accounting standards, and other records shall be maintained to the extent necessary to clearly reflect actions taken. All such records shall be retained and kept accessible for at least three (3) years following final payment. OWNER's authorized representatives shall have the right to direct access to books, documents, papers and records of Contractor for the purpose of conducting audits and examinations and making copies, excerpts and transcripts. OWNER shall reimburse Contractor for Contractor's cost of preparing copies.

11. Nondisclosure

Contractor agrees not to divulge to third parties, without the written consent of OWNER, any information obtained from or through OWNER in connection with the performance of this contract unless:

- a) The information is known to Contractor prior to obtaining the same from OWNER.
- b) The information is, at the time of disclosure by Contractor, then in the public domain, or
- c) The information is obtained by Contractor from a third party who did not receive same, directly or indirectly from OWNER. Contractor further agrees not to disclose to any third party any information developed or obtained by OWNER in the performance of this contract, without the written consent of OWNER, except to the extent that such information falls within one of the categories described in (a), (b), (c), above.

12. Non-Discrimination

Contractor agrees to comply with all applicable requirements of federal, state and local civil rights and rehabilitation statutes and ordinances. Contractor shall not discriminate based on race, religion, color, sex, marital status, familial status, national origin, age, mental or physical disability, sexual orientation, source of income, or political affiliation in programs, activities, services.

13. Adherence to Law

Contractor shall comply with all federal, state and local laws and ordinances applicable to the work to be done under this Contract, and all regulations and administrative rules established pursuant to those laws, including, without limitation, the following laws. Failure to comply with this paragraph shall be a breach of this Contract.

- a) Contractor shall make payment promptly, as due, to all persons supplying Contractor labor or material for work under this Contract; pay all contributions or amount due the Industrial Accident Fund from Contractor or any subcontractor incurred in the performance of the Contract; not permit any lien or claim to be filed or prosecuted against OWNER; and pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167. Reference ORS 279B.220.
- b) If Contractor fails, neglects or refuses to make prompt payment of any claim for labor or services furnished to Contractor or a subcontractor by any person in connection with this Contract as such claim becomes due, OWNER may pay such claim to the person furnishing the labor or services and charge the amount of the payment against funds due or to become due Contractor by reason of this Contract. The payment of a claim under this section shall not relieve Contractor or Contractors surety from any obligation with respect to any unpaid claims.
- c) Contractor shall not employ any person for more than ten (10) hours in any one (1) day, or forty (40) hours in any one (1) week, except in cases of necessity, emergency, or where the public policy absolutely requires it, and in such cases, except in cases of Contracts for personal services as defined in ORS 279A.055, the laborer shall be paid at least time and a half pay:

(A) For all overtime in excess of eight (8) hours a day or forty (40) hours in any one (1) week when the work week is five (5) consecutive day, Monday through Friday; and

(B) For all overtime in excess of ten (10) hours a day or forty (40) hours in any one (1) week when the work week is four (4) consecutive days, Monday through Friday; and
(C) For work performed on Saturday and on any legal holiday specified in any applicable collective bargaining agreement or in ORS 279B.020 (1)(b)(A) to (G).

The requirement to pay at least time and a half for all overtime worked in excess of forty (40) hours in any one (1) week, shall not apply to individuals who are excluded under ORS 653.010 to 653.261 or under 29 U.S.C. Section 201 to 209 from receiving overtime, Reference ORS 279B.230.

- d) Contractor shall promptly, as due, make payments to any person, copartnership, association or corporation furnishing medical, surgical and hospital care or other needed care and attention incident to sickness or injury to the employees of such Contractor, of all sums which the Contractor agrees to pay for such services and all moneys and sums which the Contractor collected or deducted from the wages of the employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service. All employers working under this Contract are subject employers that will comply with ORS 656.017. Reference ORS 279B.230.

14. Indemnification

Contractor hereby releases and shall indemnify, defend, and hold harmless OWNER, its subsidiaries, officers, agents, employees successors, assigns, and authorized representatives of all the foregoing from and against all suits, actions, legal or administrative proceedings, claims, demands, liabilities, interest, attorney fees, costs, and expenses of and kind or nature, whether arising before or after completion of the work hereunder and in any manner directly or indirectly caused, occasioned, or contributed to in whole or in part, or claimed to be caused, occasioned, or contributed to in whole or part, by reason of any act, omission, fault, or negligence of Contractor, its subcontractors, or of anyone acting under its direction or control or on its behalf in connection with or incidental to the performance of this contract. Contractor's aforesaid release, indemnity, and hold harmless obligations, or portions of applications thereof, shall apply even in the event of the fault, negligence, or strict liability of the parties released, indemnified, or held harmless to the fullest extent permitted by law, but in no event shall they apply to liability caused by the sole negligence of the parties released, indemnified, or held harmless. If any portion of this indemnity clause is invalid or unenforceable, it shall be deemed excised and the remaining portions of the clause shall be given full force and effect. Contractor hereby agrees to require all its subcontractors or anyone acting under its control or on its behalf in connection with or incidental to the performance of this contract to execute an indemnity clause identical to the preceding clause, specifically naming OWNER as indemnitee.

15. Insurance

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees, as more particularly set forth on Exhibit A attached hereto. There shall be no cancellation, material change, potential exhaustion of aggregate limits or intent not to renew insurance coverage(s) without providing thirty (30) days' written notice from the Contractor or its Insurer(s) to OWNER. Contractor shall commence no work under this Contract until all insurance requirements have been met. Evidence of insurance coverage(s) shall be provided to OWNER before work is commenced. If any of the referenced insurance is due to expire before the completion of the work, Contractor will renew or replace such

insurance coverage and provide OWNER with a certificate of insurance coverage showing compliance with this provision prior to such expiration.

16. Governing Law

This contract is entered into within the State of Oregon, and the law of said state, whether substantive or procedural, shall apply to this contract. Any litigation between OWNER and the Contractor arising under this Contract or out of work performed under this Contract shall occur, if in the state courts, in the Deschutes County Court having jurisdiction thereof, and if in the federal courts, in the United States District Court for the District of Oregon.

17. Severability

If any provision of this Contract is found to be illegal or unenforceable, this Contract nevertheless shall remain in full force and the provision shall be stricken.

18. Entire Agreement

This Contract sets forth the entire agreement between the parties hereto and replaced or supercedes all prior agreements between the parties related to the same subject matter. The parties agree that any modification to this Contract must be mutual and in writing. The following forms:

Scope of Work – Exhibit A

Insurance Requirements – Exhibit B

Acceptance and Completion Agreement – Exhibit C

are attached and included in the terms of this contract.

19. Compensation

OWNER shall pay the Contractor the price as specified in the bid documents. OWNER shall make progress payments approximately every 30 days as the work proceeds, on estimates of work accomplished which meets the standards of quality established under the contract, as approved by the Contracting Officer. OWNER may, subject to approval of the Contracting Officer, make more frequent payments to contractors as deemed appropriate. Before the first progress payment under this contract, the Contractor shall furnish, in such detail as requested by the Contracting Officer, a breakdown of the total contract price showing the amount included therein for each principal category of the work, which shall substantiate the payment amount requested in order to provide a basis for determining progress payments. The breakdown shall be approved by the Contracting Officer. If the contract covers more than one project, the Contractor shall furnish a separate breakdown for each. The values and quantities employed in making up this breakdown are for determining the amount of progress payments and shall not be construed as a basis for additions to or deductions from the contract price. The Contractor shall prorate its overhead and profit over the construction period of the contract. Except as otherwise provided in State law, OWNER shall retain ten (10) percent of the amount of progress payments until completion and acceptance of all work under the contract; except, that if upon completion of 50 percent of the work, the Contracting Officer determines that the Contractor's performance and progress are satisfactory, OWNER may make the remaining payments in full for the work subsequently completed. If the Contracting Officer subsequently determines that the Contractor's performance and progress are unsatisfactory, OWNER shall reinstate the ten (10) percent (or other percentage as provided in State law) retainage until such time as the Contracting Officer determines that performance and progress are satisfactory

OWNER shall make the final payment due the Contractor under this contract after (1)

completion and final acceptance of all work; and (2) presentation of a final lien release and a release of all claims against OWNER arising by virtue of this contract, other than claims, in stated amounts, that the Contractor has specifically excepted from the operation of the release. Each such exception shall embrace no more than one claim, the basis and scope of which shall be clearly defined. The amounts for such excepted claims shall not be included in the request for final payment. A release may also be required of the assignee if the Contractor's claim to amounts payable under this contract has been assigned. Prior to making any payment, the Contracting Officer may require the Contractor to furnish receipts, partial or full lien releases, or other evidence of payment from all persons performing work and supplying material to the Contractor, if the Contracting Officer determines such evidence is necessary to substantiate claimed costs and release of lien claims.

20. BOLI Provisions

This project is subject to the PWR law. The initial specification were first solicited for bid on July 24, 2026 (Date). This project is a single-family house or an apartment building of no more than four stories in height and is therefore "residential construction". Under OAR 839-025-0037(1)(a), valid federal Davis-Bacon wage rates can be used for this project and can be found at www.sam.gov. The wage decision number for this project is OR20260014 last modified on May 18, 2026 for Deschutes County. Workers must be paid not less than the applicable rate in accordance with ORS 279C.838 and 279C.840. ORS 279C.830(1)(c); OAR 839-025-0020(5)(a). If the applicable Federal Davis-Bacon wage determination does not include a rate for a particular trade or classification, then the applicable rate from BOLI's prevailing wage rates publication are to be used and can be found at www.oregon.gov/boli/employers/pages/prevailing-wage-rates.

If the Contractor fails to pay for labor or services, CORHA will pay for them and withhold these amounts from payments to the contractor as required in ORS 279C.515; OAR 839-025-0020(2)(a).

The Contractor must pay daily, weekly, weekend and holiday overtime as required in ORS 279.540. ORS 279C.520(1); OAR 839-025-0020(2)(b).

The Contractor must give written notice to workers of the number of hours per day and days per week they may be required to work per ORS 279C.520(2); OAR 839-025-0020(2)(c).

The Contractor must make prompt payment for all medical services for which the Contractor has agreed to pay, and for all amounts for which the contractor collects or deducts from the worker's wages. ORS 279C.530; OAR 839-025-0020(2)(d).

Contractor must have a public works bond filed with the Construction Contractors Board before starting work on the project unless exempt. ORS 279C.830(2)(b)(A); OAR 839-025-0020(3)(a). (Exempt if contract is under \$100,000.)

Contractor must include in every subcontract a provision requiring the subcontractor to have a public works bond filed with the Construction Contractors Board before starting work on the project, unless exempt. ORS 279C.830(2)(b)(B); OAR 839-025-0020(3)(b)

Each and every contractor and subcontractor must post the applicable prevailing wage rates in a conspicuous place on the project site so workers have ready access to the information. ORS 279C.840(4); OAR 839-025-0033(1).

Contractors and subcontractors must also post the details of all fringe benefit plans or programs if any contributions are made to a health and welfare plan and/or a pension plan. The posting should include a description of the plan, information about how to file a claim and where to obtain more information. ORS 279C.840(5); OAR 839-025-0033(2).

Every contractor and subcontractor on a covered project must file certified payroll records with the public agency (Owner). Contractors and subcontractors must complete a certified payroll statement for each week a worker is employed on a public work. These certified payroll statements must be submitted once a month by the fifth business day of the following month to the public agency (Owner). ORS 279C.845; OAR 839-025-0010.

The PWR law requires prime contractors to withhold 25 percent of any amount earned by a first-tier subcontractor if the subcontractor does not turn in its certified payroll reports each month. Once the certified payroll reports have been submitted, the prime contractor must pay the 25 percent withheld within 14 days. ORS 279C.845(8); OAR 839-025-0010(6).

IN WITNESS WHEREOF, OWNER and Contractor have executed this Contract as of the date and year first above written.

INSURANCE REQUIREMENTS

Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. Insurance Services Office Commercial General Liability coverage (occurrence form CG 00 01).
2. Insurance Services Office form number CA 00 01 covering Automobile Liability, code 1 (any auto).
3. Errors and Omissions liability insurance appropriate to the consultant's profession. Architects and engineers' coverage is to be endorsed to include contractual liability.

Minimum Limits of Insurance

Consultants shall maintain limits no less than:

1. General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability: \$1,000,000 per accident for bodily injury and property damage.
3. Workers' Compensation and Employer's Liability: \$1,000,000 per accident for bodily injury or disease.
4. Workers' Compensation: As required by law.
5. Errors and Omissions Liability (If Professional Services): \$1,000,000 per occurrence.

Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by OWNER. At the option of OWNER either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects OWNER, its officers, officials, employees and volunteers; or the Contractor shall provide a financial guarantee satisfactory to OWNER guaranteeing payment of losses and related investigations, claim administration and defense expenses.

Other Insurance Provisions

The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1. OWNER, its officers, officials, employees and volunteers are to be covered as insureds as respects: liability arising out of work or operations performed by or on behalf of the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor.
2. For any claims related to the project, the Contractor's insurance coverage shall be primary insurance as respects OWNER, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by OWNER, its officers, officials, employees or volunteers shall be in excess of the Contractor's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled or materially changed, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to OWNER.
4. Maintenance of the proper insurance for the duration of the contract is a material element of the contract. Material changes in the required coverage or cancellation of the coverage shall constitute a material breach of the contract.

Bond Requirements

1. For construction contracts exceeding \$100,000, offerors shall be required to submit a bid guarantee equivalent to 5% of the bid price within 3 days after notification of contract award.
2. For construction contracts exceeding \$100,000, the successful bidder shall furnish an assurance of completion in the form of a performance and payment bond in a penal sum of \$100% of the contract price.
3. Contractor must file a \$30,000 public works bond with the Construction Contractors Board (CCB) before beginning work on a public works project.

These bonds must be obtained from guarantee or surety companies acceptable to the U.S. Government and authorized to do business in the State where the work is to be performed. Individual sureties shall not be considered. U.S. Treasury Circular Number 570 lists companies approved to act as sureties on bonds securing Government contracts, the maximum underwriting limits on each contract bonded, and the States in which the company is licensed to do business. Use of companies on this circular is mandatory.

Acceptability of Insurers

Insurance is to be placed with Insurers with a current A.M. Best's rating of no less than A: V1,

Verification of Coverage

Contractor shall furnish OWNER with original certificates and amendatory endorsements effecting coverage required by this clause. All certificates and endorsements are to be received and approved by OWNER before work commences in sufficient time to permit contractor to remedy any deficiencies. OWNER reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.

Subcontractors

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates for each subcontractor in a manner and in such time as to permit OWNER to approve them before subcontractors' work begins. All coverages for subcontractors shall be subject to all of the requirements stated herein.

Note: If a subcontractor will be hired to perform hazardous material remediation, or other hazardous operations, that subcontractor will name OWNER, its officers, officials, employees and volunteers as additional insureds on its general liability insurance policy by endorsement. Such policy will provide coverage for the hazardous material remediation and other hazardous operations risks.

Prevailing Wage Rates for Public Works Contracts

Christina E. Stephenson
Labor Commissioner
Rates Effective July 5, 2026

CHRISTINA E. STEPHENSON
Labor Commissioner

In this rate book are the new prevailing wage rates for Oregon non-residential public works projects, effective July 5, 2026.

Prevailing wage rates are the minimum hourly wages that must be paid to all workers employed on all public works projects. Thank you for your engagement in the process and commitment to Oregon law.

Our team is ready to help support you with any questions you have. We also offer regular, free, informational seminars and webinars for contractors and public agencies. Contact us at PWR.Email@boli.oregon.gov or (971) 245-3844.

A handwritten signature in blue ink, appearing to read "C. Stephenson".

Labor Commissioner

More information about prevailing wage rates:

The Oregon Bureau of Labor & Industries publishes the prevailing wage rates (PWR) that are required to be paid to workers on non-residential public works projects in Oregon.

Separate documents, [Definitions of Covered Occupations for Public Works Contracts in Oregon](#), provide occupational definitions used to classify the duties performed on public works projects. These definitions are used to find the correct prevailing wage rate.

The rate book and definition publications are available online at <https://www.oregon.gov/boli>, as well as additional information, supporting documents, and forms.

Please contact us at PWR.Email@boli.oregon.gov or (971) 245-3844, for additional information such as:

- Applicable prevailing wage rates for projects (Generally, the rates in effect at the time the bid specifications are first advertised are those that apply for the duration of the project.)
- Federal Davis-Bacon rates (In cases where projects are subject to both state PWR and federal Davis-Bacon rates, the higher wage must be paid.)
- Required PWR provisions for specifications and contracts
- Apprentice rates

Forms necessary to comply with ORS 279C.800 through ORS 279C.870 can be found on our website at <https://www.oregon.gov/boli/employers/Pages/prevailing-wage.aspx>. Contractors are encouraged to use and keep on file the forms provided as master copies for use on future prevailing wage rate projects.

All of the information in this booklet can be accessed and printed from the Internet at: www.oregon.gov/BOLI

Pursuant to ORS 279C.800 to ORS 279C.870, the prevailing wage rates contained in this booklet have been adopted for use on public works contracts in Oregon.

Required Postings for Prevailing Wage Contractors and Subcontractors

PREVAILING WAGE RATES

Every contractor and subcontractor engaged in work on a public works must post the applicable prevailing wage rates for that project in an obvious place on the worksite, so workers have ready access to the information.

DETAILS OF FRINGE BENEFIT PROGRAMS

When a contractor or subcontractor provides or contributes to a health and welfare plan or a pension plan, or both, for employees who are working on a public works project, the details of all fringe benefit plans or programs must be posted on the worksite.

The posting must include a description of the plan or plans, information about how and where claims can be made and where to obtain more information. The notice must be posted in an obvious place on the work site in the same location as the prevailing wage rates.

WORK SCHEDULE

Contractors and subcontractors must give workers their regular work schedule (days of the week and number of hours per day) in writing before beginning work on the project.

Contractors and subcontractors may provide the schedule at the time of hire, prior to starting work on the contract, or by posting the schedule in a location frequented by employees, along with the prevailing wage rate information and any fringe benefit information.

If an employer fails to give written notice of the worker's schedule, the work schedule will be presumed to be a five-day schedule. The schedule may only be changed if the change is intended to be permanent and is not designed to evade the PWR overtime requirements.

*ORS 279C.840(4); OAR 839-025-0033(1). ORS 279C.840(5); OAR 839-025-0033(2).
ORS 279C.540(2); OAR 839-025-0034.*

PUBLIC WORKS BONDS

Every contractor and subcontractor who works on public works projects subject to the prevailing wage rate (PWR) law is required to file a \$30,000 **“PUBLIC WORKS BOND”** with the Construction Contractors’ Board (CCB). This includes flagging and landscaping companies, temporary employment agencies, and sometimes sole proprietors.

The key elements of ORS 279C.830(2) and ORS 279C.836 specify that:

- Specifications for every contract for public works must contain language stating that the contractor and every subcontractor must have a public works bond filed with the CCB before starting work on the project, unless otherwise exempt.
- Every contract awarded by a contracting agency must contain language requiring the contractor:
 - To have a public works bond filed with the CCB before starting work on the project, unless otherwise exempt; and
 - To include in every subcontract a provision requiring the subcontractor to have a public works bond filed with the CCB before starting work on the project unless otherwise exempt
- Every subcontract that a contractor or subcontractor awards in connection with a public works contract between a contractor and a public agency must require any subcontractor to have a public works bond filed with the CCB before starting work on the public works project, unless otherwise exempt.
- Before permitting a subcontractor to start work on a public works project, contractors must first verify their subcontractors either have filed the bond or have elected not to file a public works bond due to a bona fide exemption.
- The PWR bond is to be used exclusively for unpaid wages determined to be due by the Bureau of Labor & Industries.
- The bond is in effect continuously (you do not have to have one per project).
- A public works bond is in addition to any other required bond the contractor or subcontractor is required to obtain.

Exemptions:

- Allowed for a disadvantaged business enterprise, a minority-owned business, woman-owned business, a business that a service-disabled veteran owns, or an emerging small business certified under ORS 200.055, for the first FOUR years of certification;
 - Exempt contractor must still file written verification of certification with the CCB and give the CCB written notice that they elect not to file a bond.
 - The prime contractor must give written notice to the public agency that they elect not to file a public works bond.
 - Subcontractors must give written notice to the prime contractor that they elect not to file a public works bond.
- For projects with a total project cost of \$100,000 or less, a public works bond is not required. (Note this is the total project cost, not an individual contract amount.)
- Emergency projects, as defined in ORS 279A.010(f).

PREVAILING WAGE RATES

FINDING THE CORRECT PREVAILING WAGE RATE

To find the correct rate(s) required on your public works project, you will need:

- the date the project was first advertised for bid
- the county your project is in
- the duties of workers on the job

Generally, the rate you should look for is based on the date the project was first advertised for bid. (See OAR 839-025-0020(8) for information about projects that contract through a CM/GC, or contract manager/general contractor.)

The Labor Commissioner must establish the prevailing rate of wage for each region as defined in law. (See ORS 279C.800.) A map of these regions can be found on [BOLI's website](#).

To find the correct rate in this rate book:

1. *Determine the duties that are being performed by each worker.* Use the booklet *Definitions of Covered Occupations* to find the definition that most closely matches the actual work performed by the worker. You can find this publication online at <https://www.oregon.gov/boli/employers/Pages/occupational-definitions.aspx>.
2. *Find the correct occupation in the "Prevailing Wage Rate for Public Works Contracts" below.* The prevailing wage rate is made up of an hourly base rate and an hourly fringe rate. The combination of these two amounts must be paid to each worker. Watch for possible zone differential, shift differential, and/or hazard pay. If the occupation lists different rates for different Areas of the state, locate the Area that includes the county where the project is located.

Apprentices must be paid consistent with their registered apprenticeship program standard. You can find apprenticeship rates on our website at <https://www.oregon.gov/boli/employers/Pages/prevailing-wage-rates.aspx>. You may also contact the agency to confirm the correct apprenticeship rate.

The "Prevailing Wage Rate Laws" handbook provides specific information and answers questions regarding prevailing wage laws and is available on our website at <https://www.oregon.gov/boli/employers/Documents/2026%20PWR%20Laws%20Handbook%206.5.26%20edition.pdf>.

If you have any questions about any of this information, please contact the Bureau of Labor & Industries at PWR.Email@boli.oregon.gov or (971) 245-3844.

Note: All job or project locations shall be computed (determined) on the basis of road miles and in the following manner. A mileage measurement will start at the entrance to the respective city hall, facing the project (if possible), and shall proceed by the normal route (shortest time-best road) to the geographical center on the highway, railroad, and street construction projects (end of measurement). On all other project contracts, the geographical center where the major portion of the construction is located shall be considered the center of the project (end measurement).

**LIST OF CONTRACTORS INELIGIBLE
TO RECEIVE PUBLIC WORKS CONTRACTS
PUBLICATION DATE: JULY 5, 2026**

To: All Oregon Contracting Agencies

Pursuant to ORS 279C.860, contractors on this list are ineligible to receive public works contracts subject to the Prevailing Wage Rate Law. These contractors and subcontractors, as well as any firm, corporation, partnership or association in which the contractor or subcontractor has a financial interest are ineligible to receive public works contracts until removed from this list. You can find the most current and up to date list of contractors ineligible to receive public works contracts on our website at <https://www.oregon.gov/boli/employers/Pages/pwr-ineligible-contractors.aspx>.

If you have questions regarding the list or for the most current information regarding persons ineligible to receive prevailing wage contracts, please contact the Prevailing Wage Rate Coordinator in Portland at (971) 245-3844.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does

not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least \$13.65 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract from May 11, 2026, through December 31, 2026. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than **SU**, **UAVG**, **SA**, or **SC** denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The **SU** identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this

classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

◆SU◆ wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ◆SA◆ identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ◆SA◆ identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7).

Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.
